

**The social services at the reception centre help  
in the following situations**

- unaccompanied minor under 18 years of age
- concern for their own well-being or that of a family member
- guidance and support for family problems
- support and counselling in relation to alcohol and use of other illegal intoxicants
- problems with one's own mental health
- asylum or temporary protection procedure
- voluntary return to the country of origin
- issues related to income and benefits
- enrolment in school and nursery school

If necessary, a social worker or social instructor will assess the need for services and will develop a plan.

Call hours of the social services: Mon, Tue, Fri 10–11.00
